

COOKIE POLICY

This document has been drafted by the Data Controller, I&C S.r.l., as data controller of personal data resulting from the browsing of this website: www.iec-srl.it/ (hereinafter referred to as the 'Website').

I&C S.r.l. intends to inform the User that the Website uses technical cookies to guarantee an optimal browsing experience. This Cookie Policy, which shall be read as it supplements the information provided in the Privacy Policy, describes the types of cookies and other technologies used on the Website, as well as the reasons and conditions of use of cookies. We would like to inform you that some cookies are necessary to enable proper browsing of the Website, and if you keep browsing you are giving consent to the use of these cookies.

However, Users can prevent the installation of cookies by settings their browsers or disabling websites through the browser directly, as specified in detail below.

Use of Cookies

The Website uses cookies to make services user-friendly and efficient for those users who browse www.iec-srl.it/. Users who view the Website, will see small amounts of information in the devices they are using - computers or mobile devices -, in small text files called 'cookies' saved in the directories used by Users' web browsers. There are many types of cookies. Some are intended to make the use of the Website more effective, whereas others are intended to enable certain functions. By analysing them in detail, our cookies allow to:

- remember your preferences;
- avoid re-entering the same information several times during your visit, such as user name and password;
- analyse the use of the services and content provided by www.iec-srl.it/ to optimize your browsing experience and the services provided.

Types of Cookies

Technical Cookies

This type of cookie allows the proper functioning of certain areas of the Website.

Technical cookies include *persistent cookies* and *session cookies*.

- *Persistent cookies*: once the browser is closed they are not destroyed; they exist on a user's computer until the expiry date that was set;
- *Session cookies*: they are removed when the user closes the web browser.

These cookies, which always sent from our domain, are necessary to display the Website correctly and in terms of the technical services being offered. Therefore, they will always be used and sent, unless the user changes the browser settings (thus affecting how the pages of the Website are displayed).

Analytical Cookies

These cookies are used to collect information on the use of the Website. www.iec-srl.it/ will use this information for anonymous statistical analysis in order to improve the use of the Website and make the content more interesting and relevant to Users' wishes. This type of cookie collects data anonymously on users' activities and how they got to the Website. *Analytical cookies* are sent from the Website itself or third-party domains.

Analysis Cookies for Third-Party Services

These cookies are used to collect information anonymously on the use of the Website by users such as: pages visited, time spent, origin of the traffic of origin, geographic origin, age, gender and interests for the purpose of marketing campaigns. These cookies are sent from third-party domains outside the Website.

Cookies to Integrate Products and Functions of Third-Party Software

This type of cookie integrates features developed by third parties within the Website pages such as icons and preferences expressed on social networks in order to share site content or for the use of third-party software services (such as software for generating maps and other software providing additional services). These cookies are sent from third-party domains and partner websites offering their functions in the Website pages.

Profiling Cookies

These cookies are necessary to create user profiles in order to send advertising messages in line with the preferences expressed by the user within the pages of the Website.

According to current regulations, www.iec-srl.it/ is not required to ask for consent for *technical* and *analytics cookies*, as they are necessary to provide the required services.

For all the other types of cookies, consent may be expressed by the User in one or more of the following ways:

- Through specific configurations of the browser used or the IT programmes used to browse the pages that make up the Website.
- By changing the settings in the use of third-party services.

Both solutions may prevent the user from using or viewing some sections of the Website.

Websites and Third-Party Services

The Website may include links to other websites that have their own privacy policy that may be different from that of www.iec-srl.it/, therefore www.iec-srl.it/ shall not be responsible for these websites.

List of Cookies

The Website does not use *profiling cookies*, it only uses *technical* and *session cookies* as listed below. We reserve the right to update and supplement the list below in case we need to use additional cookies.
